Keep in mind, Dore requested we keep it to an hour. We don't need that whole block of time.

Hi Carmen,

EQb Chair Velez is available on July 11th between 3:00 and 4:40 pm. Please let me know if I can tell her to confirm the date and the time. Thanks.

Len

Hi Suzette,

I had written EQB last week and again today about having another conference call with EPA senior management, but have not yet heard back. Would you please check into this with Laura and Melvin and let me know at your earliest convenience ? This is a high priority for our Regional Administrator. Thanks.

Best regards,

Len
